The main map is a detailed topographic and hydrogeological plan of the coastal area of Termini Imerese. It shows the coastline with various typologies indicated by different line styles and colors. The map includes numerous place names such as Villa Ginestra, Foce del Fiume S. Leonardo, Termini Imerese, Solfara, Mercato Ittico, and Villa Laura. It also shows the coastline of the sea (MARE) and the coastline of the river (Fiume). The map is oriented with North at the top. A scale bar in the bottom right corner indicates a distance of 2 km. A north arrow is located in the top right corner. The map is divided into several sections by a dashed line, with the sections labeled 'MARE' and 'Fiume'. The map is a technical drawing, likely a map for a planning or engineering project. It is a detailed map of a coastal area, showing the coastline, urban areas, and topographic features. The map is a technical drawing, likely a map for a planning or engineering project. It is a detailed map of a coastal area, showing the coastline, urban areas, and topographic features.
